

**CANTERBURY COMMUNITY CHILD CARE
CENTRE INC.
PRE-SCHOOL KINDERGARTEN**

APPLICATION FOR WAITING LIST

The centre is a community based, non-profit making organisation which is managed by the parents of the children currently enrolled. Therefore it is necessary that parents play an active role in the centre.

It is important to note that all parents must actively engage in fundraising. This helps the centre to cover costs in its attempt to provide your child with a sound educational program at the lowest possible price.
